Management of consent for disclosure

In line with the requirements of the Data Protection Laws in the UK, Syri Limited will only make disclosure of an individual HCP's or ORDM's personal data to the ABPI with the prior written consent of the HCP/ORDM concerned.

Syri Limited seeks consent by asking those HCPs engaged by the company to consider signing and returning a statement allowing for public disclosure. Once returned to Syri Limited the consent is held electronically for at least 3 calendar years unless such HCP/ORDM notifies the company of their wish to subsequently withdraw their consent during this time.

Each HCP/ORDM is entitled to withdraw their consent to disclosure at any time. In such cases, HCPs and ORDMs are asked to send an e-mail to Syri Limited notifying the company that they wish to withdraw their consent prior to publication. Following publication of Syri's ToV data, HCPs and ORDMs are also able to contact the ABPI to withdraw their consent.
