Methodological Note to 2023 Disclosure Report for Reckitt

Definitions

The term 'health care professional (HCP)' includes members of the medical, dental, pharmacy and nursing professions and any other persons who in the course of their professional activities may administer, prescribe, purchase, recommend or supply a medicine.

The term 'other relevant decision makers (ORDM)' particularly includes those with an NHS role who could influence in any way the administration, consumption, prescription, purchase, recommendation, sale, supply or use of any medicine but who are not health professionals.

The term 'healthcare organisation (HCO)' means either a healthcare, medical or scientific association or organization such as a hospital, clinic, foundation, university, or other teaching institution or learned society whose business address, place of incorporation or primary place of operation is in Europe or an organisation through which one or more health professionals or other relevant decision makers provide services.

The term 'transfer of value (ToV)' means a direct or indirect transfer of value, whether in cash, in kind or otherwise, made, whether for promotional purposes or otherwise, in connection with the development or sale of medicines. A direct transfer of value is one made directly by a company for the benefit of a recipient. An indirect transfer of value is one made on behalf of a company for the benefit of a recipient or through an intermediate and where the company knows or can identify the recipient that will benefit from the transfer of value.

Reckitt's 2023 transfer of value data has been published on Disclosure UK for HCP services provided including;
