REFERENCE TO TRANSPARENCY LAWS AND REGULATIONS

Moderna supports laws and regulations that promote transparency around relationships between life science companies, Healthcare Professionals (HCPs) and Healthcare Organizations (HCOs) associated with Transfers of Value (ToVs) related to medicinal products by establishing a single, consistent transparency standard in Europe for disclosing ToVs across its affiliates and European countries. Moderna follows the European Federation of Pharmaceutical Industries and Associations (EFPIA) transparency requirements, and the requirements set forth in local laws and codes.

As a member of Vaccines Europe (a specialized vaccine group within EFPIA) and the Association of the British Pharmaceutical Industry (ABPI), Moderna complies with the obligation to collect, disclose and report ToVs from member companies to HCPs and HCOs in accordance with Clause 28 - 31 of the 2021 ABPI Code of Practice.

OF METHODOLOGICAL NOTE

The purpose of this Methodological Note is to summarize the business decisions, methodologies and any country specific considerations applied by Moderna to collect and report ToVs for each disclosure category described in the ABPI 2021 Code of Practice.

DEFINITIONS

- **Contribution to Costs related to Events:** is support provided or covering the costs of travel, accommodation and/or registration fees to support the attendance of an individual HCP to an Event organized or created by Moderna and/or a Third Party.
- **Donations and Grants:** collectively, mean providing funds, benefits-in-kind or services freely given for the purpose of supporting healthcare, scientific research, or education, with no consequent obligation on the recipient to provide goods or services to the benefit of the Moderna in return.
- **Events:** All professional, promotional, scientific, educational meetings, congresses, conferences, symposia, and other similar events (including, but not limited to, advisory board meetings, visits to research or manufacturing facilities, and planning, training or investigator meetings for clinical trials and non-interventional studies) organized or sponsored by or on behalf of Moderna.
- **Healthcare Organization (HCO):** any legal person/entity (i) that is a healthcare, medical or scientific association or organization (irrespective of the legal or organizational form) such as a hospital, clinic, foundation, university, or other teaching institution or learned society (except for Patient Organizations within the scope of article 21 of the EFPIA Code) whose business address, place of incorporation or primary place of operation is in Europe or (ii) through which one or more HCPs provide services.
- **Healthcare Professional (HCP):** any natural person that is a member of the medical, dental, pharmacy or nursing professions and any other person who, in the course of his/her professional activities, may prescribe, purchase, supply, recommend or administer a Medicine and whose primary practice, principal professional address or place of incorporation is in Europe. For the avoidance of doubt, the definition of HCPs

includes: (i) any official or employee of a government, agency, or other organization (whether in the public or private sector) that may prescribe, purchase, supply, recommend or administer Medicinal Products and (ii) any employee of Moderna whose primary occupation is that of a practicing HCP.

- **Medicine:** means any branded or unbranded medicine intended for use in humans which requires a marketing authorization.
- **Other Relevant Decision Maker:** Includes someone with an NHS role who could influence in any way the administration, consumption, prescription, purchase, recommendation, sale, supply, or use of any medicine but is not a health professional.
- **Research and Development Transfers of Value:** Transfers of Value to HCPs or HCOs related to the planning or conduct of (i) non-clinical studies (as defined in OECD Principles on Good Laboratory Practice); (ii) clinical trials (as defined in Regulation 536/2014); or (iii) Non-interventional studies that are prospective in nature and that involve the collection of patient data from or on behalf of individual, or groups of, HCPs specifically for the study.
- **Sponsorship:** is a support provided by or on behalf of Moderna, when permitted by law, as a contribution to support an activity (including an Event) performed, organized, or created by a HCO, a PO, or a Third Party.
- **Third Party:** Third parties working for and on behalf of Moderna where such parties exist and have provided a ToV on Moderna's behalf have been reported to Moderna and are disclosed as required.
- **Transfers of Value (ToV):** Direct and indirect ToV, whether in cash, in kind or otherwise, made, whether for promotional purposes or otherwise, in connection with the development and sale of medicines. Direct ToVs are those made directly by Moderna for the benefit of a Recipient. Indirect ToVs are those made on behalf of Moderna for the benefit of a Recipient, or those made through a Third Party and where Moderna knows or can identify the Recipient that will benefit from the Transfer of Value.

CATEGORIES FOR DISCLOSURE

The following table defines what activities are reported in which ABPI category.

ToVs to an HCO	Donations and Grants	Donations and Grants to HCOs that support healthcare, scientific research, or education
	Contribution to Cost of Events	Contribution to costs related to Events, through HCOs or third parties, including sponsorship to HCPs to attend Events, such as: <ul style="list-style-type: none"> ▪ Registration fees ▪ Sponsorship agreement with HCOs or with third parties appointed by an HCO to manage an Event; and ▪ Travel and accommodation

	Fees for Service and Consultancy	Transfers of Value resulting from or related to contracts between Moderna and HCOs under which such institutions, organizations or associations provide any type of services to Moderna. Fees, on the one hand, and on the other hand ToVs relating to expenses agreed in the written agreement covering the activity will be disclosed as two separate amounts.
ToVs to an HCP	Contribution to costs related to Events	Contribution to costs related to Events, such as: <ul style="list-style-type: none"> ▪ Registration fees; and ▪ Travel and accommodation
	Fees for Services and Consultancy	Fees for Service and Consultancy. ToVs resulting from or related to contracts between Moderna and HCPs under which such HCPs provide any type of services to Moderna, including non-interventional studies that are retrospective in nature ¹ . Fees, on the one hand, and on the other hand ToVs relating to expenses agreed in the written agreement covering the activity will be disclosed as two separate amounts.

BUSINESS DECISIONS

The purpose of this Methodological Note is to provide guidance on the specific business decisions made by Moderna that drive the collection, aggregation, and reporting of our TOVs.

Tax & VAT	Moderna discloses gross amounts (this is, amount before VAT and taxes applicable), unless the VAT cannot be accurately excluded due to the complexity of VAT regimes around Europe and the inconsistency of whether VAT may or may not be reimbursable depending on where the transaction took place and the country of residency of the HCP or HCO. Where income tax or equivalent is withheld by Moderna on amounts earned by the HCP then the ToV will include these amounts.
----------------------	--

¹ Non-interventional studies that are retrospective in nature include: (i) purely observational database review and/or research; (ii) retrospective review of records where all the events of interest have already happened; and (iii) studies in which the prescriber later becomes an Investigator, but prescribing has already occurred.

Currency	All payments and ToVs are disclosed in the Pound sterling (GBP). If a ToV is captured in another currency, it is converted into the Pound Sterling based on the date on which the ToV occurred utilizing the corresponding daily exchange rate.
Disclosure of cross-border ToVs	ToVs to an HCP/HCO whose practice, professional address or place of incorporation is in Europe, are disclosed in the country where the recipient has its principal practice.
Language	Disclosure is made in English.
Local identifiers	Moderna will disclose the country unique identifier for HCPs and/or HCOs where the national code mandates the inclusion of this data element.
ToV dates	<p>Moderna discloses payments and ToVs based on the date the payment or ToV occurred as follows:</p> <ul style="list-style-type: none"> ▪ For direct payments (all Fees to HCPs and HCOs, Sponsorships, Grants and Donations): the ToV date is the date on which the check is processed, or the wire transfer is made to the recipient as opposed to the date of the event or service. ▪ For other ToVs (Travel and Accommodation): the ToV date is the start date of the event, the date the ToV took place, or the date reported by the intermediary that provided the data to Moderna.
Events that are cancelled or HCP does not participate	Moderna will attribute the ToVs that are incurred and can be reasonably associated to the HCP. In circumstances where a flight or accommodation is booked but the event is cancelled or the HCP does not attend, no ToV will be attributed to the HCP.
Zero fee contracts	Moderna will disclose individually those contracts signed without remuneration, this is, zero fee (0 GBP amount or no ToV received by HCP/O)
Multi-year contracts	Where contracts are valid for more than one year, each individual ToV is captured and disclosed in the corresponding reporting period.
Benefit in Kind ToV	A ToV that consists of a benefit provided in kind is reported in the calendar year that the benefit was provided. If the benefit in kind provided to an HCO span over two calendar years, the ToV is reported in the calendar year in which the ToV was actually delivered.

<p>Self-incorporated HCP</p>	<p>A ToV to a sole proprietor or to an individual HCPs legal entity is reported at an individual HCP level if the ToV is categorized as “fees for service or consultancy and/or related expense,” registration fees and/or travel and accommodation.” A ToV to a sole proprietor or to an individual HCPs legal entity is reported to the HCO if the ToV is categorized as “Donations and Grants,” “Joint Working”, or “Sponsorship Agreements.”</p>
<p>Sponsorships</p>	<p>For sponsorships:</p> <ul style="list-style-type: none"> ▪ Transfers of value made through a Professional Conference Organizer (PCO) are published in the name of the HCO. ▪ In the case of sponsorship agreements where different HCOs have participated, it was assumed that each HCO received an equal share and was published for each HCO.
<p>Indirect ToV to HCP via a third-party</p>	<p>Where an HCP has requested that their payment is made to a third-party, such as their employer, the ToV is reported in the name of the HCP who directed the payment.</p>
<p>Consent</p>	<p>Moderna collects consent per engagement with all HCPs based on local requirements:</p> <ul style="list-style-type: none"> ▪ If consent is given for an engagement, Moderna discloses transfers of value to the HCP under the individual section of the applicable Disclosure Report. ▪ If Moderna does not receive consent for an engagement, Moderna reports all TOVs in the aggregate section of the applicable Disclosure Report. ▪ If the consent form is not returned to Moderna, Moderna reports all TOVs in the aggregate section of the Applicable Disclosure Report.
<p>ToV corrections</p>	<p>HCPs and HCOs may request the correction of published ToVs that are found to be incorrect. In these circumstances, Moderna will correct and re-publish these ToVs.</p>
<p>Moderna employees who practice as HCPs</p>	<p>Moderna does not disclose salaries paid to HCPs employed by Moderna. Moderna does not disclose any support provided by Moderna to a Moderna employee who is an HCP to attend a third-party meeting, as it is deemed that the Moderna employee attended the</p>

	meeting for professional reasons related to their employment.
Updating previous submissions	Moderna may update previous data submissions based on the outcome of periodic internal monitoring and reviews in order to provide the most accurate data possible.
