1 Definitions

1.1 Recipients

Healthcare Organisation (HCO): a healthcare, medical or scientific association or organisation such as a hospital, clinic, foundation, university or other teaching institution or learned society whose business address, place of incorporation or primary place of operation is in the UK or an organisation through which one or more health professionals or other relevant decision makers provide services.

If an HCO consists of only one health professional or other relevant decision maker, then it would be subject to the requirements in the Code regarding individual HCPs.

1.2 Kind of ToVs

Donations and Grants: Includes funds, benefits in kind or services freely given for the purpose of supporting healthcare, scientific research or education, with no consequent obligation on the recipient organization, institution and the like to provide goods or services to the benefit of the pharmaceutical company in return.

In general, donations are physical items, services or benefits in kind which may be offered or requested. Grants are the provision of funds.

2 Disclosure's Scope

2.1 Products concerned

Not Applicable.

2.2 Company concerned

Pacira BioSciences, Inc., and its subsidiaries (collectively, "Pacira"), is a non-member of the ABPI that has agreed to comply with the ABPI Code and accept jurisdiction of The Prescription Medicines Code of Practice Authority ("PMCPA").

This methodological note applies to the disclosure of a transfer of value ("ToV") made by Pacira in 2025 to a healthcare organisation ("HCO") located in the United Kingdom ("UK").

2.3 Excluded ToVs

Not Applicable.

2.4 ToVs date

The date period covered by the disclosure is 1 January 2025 – 31 December 2025.
