

# Rosemont Pharmaceuticals Ltd

## ABPI Disclosure for 2016

### Methodological Notes

How has the company treated:

Tax considerations?

Individuals are expected to declare any tax liability

VAT (included or not)?

VAT has been paid to the recipient where appropriate

Currency aspects (including conversion rates)?

No currency conversion rates have been applied. All payments have been paid in UK Pounds Sterling

Cross border payments?

N/A

Multi-year contracts?

None exist

Over-the-counter transfers of value? Are they/some included?

None exist

Medical device transfers of value? Are they/some included?

None exist

Other aspects for consideration:

Do the disclosures go beyond what is required by the Code? If so, is this made clear?

Yes, we were unsure if Professors of Pharmacy are considered Healthcare Professionals or Other Relevant Decisions Makers, but we have included them in our disclosure

How has the company defined 'Donation', 'Grant', 'Sponsorship' and has this been made clear?

We have only paid fees for lecturing at our internal sales conference, writing articles, or consulting which is included under fees. Other payments have been for travel expenses

How has consent been obtained? For example is it per activity or annual consent post activity?

All people being disclosed have been contacted for consent

How have non-monetary transfers of value been quantified?

None have occurred

When working with other pharmaceutical companies, how are disclosures handled? How are transfers of value divided amongst the parties (e.g. ABPI therapy groups, joint working projects etc)?

Not applicable for 2016
