

Aguettant Limited

Transparency Disclosure 2017

Methodological Notes

Aguettant Limited is not an ABPI member, however, they have given their formal agreement to abide by the ABPI Code of Practice and accept the jurisdiction of the PMCPA.

Procedure

The transfers of value which were considered for the 2018 disclosure are covered by Clause 24 of the

ABPI Code of Practice 2019:

- joint working in accordance with Clause 20 of the ABPI Code of Practice 2019
- donations, grants and benefits in kind provided to institutions, organisations and associations in accordance with Clauses 19.1 and 19.2 of the ABPI Code of Practice 2019
- contracts between companies and institutions, organisations and associations in accordance with Clause 21 of the ABPI Code of Practice 2019
- sponsorship of attendance by health professionals and other relevant decision makers at meetings in accordance with Clause 22.5 of the ABPI Code of Practice 2019
- fees and expenses paid to health professionals and other relevant decision makers, or to their employers on their behalf, in accordance with Clauses 23.2, 23.3 and 23.4 of the ABPI Code of Practice 2019
- contributions towards the costs of meetings paid to healthcare organisations or to third parties managing events on their behalf, which may include sponsorship of health professionals by way of registration fees and accommodation and travel

Aguettant Limited contemporaneously record any transfers of value made by Aguettant Ltd, their parent Company and other affiliates to UK Healthcare Professionals (HCPs), Other Relevant Decision Markers (ORDMs) or Healthcare Organisation (HCO).

All transfer of value spends have been collated manually using a centralised spreadsheet. The records have been reconciled and confirmed internally a month before the disclosure to ensure the entirety of the transfers of value have been captured.

Data Privacy

Data Privacy law requires Aguettant Limited to obtain permission from individual HCPs prior to disclosing personal data such as individual transfers of value.

Only payments made in 2018 are disclosed.

Currency

Where payments had been made in local currency other than GBP, the amount in GBP has been calculated using the published HMRC monthly exchange rate at the time the payment was made.
