

Accretio Ltd

Methodological note

1. Transfers of value have been manually logged into an internally generated disclosure template in real time over 2018.
2. All contracts included clauses to the effect that the recipient would duly pay the tax and national insurance contributions which were due from him/her in the United Kingdom or elsewhere in relation to the payments made to him/her by Accretio.
3. VAT has not been included in the disclosure template.
4. All transfers have been in GBP.
5. There were no cross border payments.
6. There were no multi-year contracts.
7. There were no over-the-counter transfers of value.
8. There were no medical device transfers of value.
9. Consent has been obtained per activity.
10. There have been no non-monetary transfers of value.
