

ABPI Disclosure Methodological Note – Rosemont Pharmaceuticals

- All values are in British Pounds Sterling
- Payment to individuals did not include VAT as they were not VAT registered
- Payment to Organisations do not include VAT
- 3 individuals did not want their names disclosed, these were contracted and paid for by a third party (for involvement in Guideline preparation). Their relationship is with the third party MGP Ltd and therefore we are not able to encourage disclosure
- All fees are for work done on our behalf, e.g. checking and updating product information on a website, or writing articles
- Professor Wright's fees are paid to the University, where this money is used to support research and is not paid directly to him.
- The £10,000 to the Patients Association and the £13,995 to the Neonatal and Paediatric Pharmacists Group (NPPG) are payment for Corporate Membership
- The £1250 to the NPPG Paediatric Oncology Pharmacist Groups was money toward the group being able to hold meetings throughout the year
