03.08.2020

Biotest are committed to carrying out business fairly, honestly and openly.

This methodological note covers the methodology for disclosure of transfers of value required by the ABPI code.

The payments are published inclusive of tax and VAT.  
Average conversion rate; €1 =£0.88

Any payments made by Biotest UK to European HCPs and HCOs are included in this template.  
Biotest UK is the UK subsidiary of Biotest AG.

Payments made by other Biotest entities to UK based HCPs and HCOs are included.

For multi year contracts, payments are disclosed in the year corresponding to the date of each payment.

Consent for disclosure has been requested prior to engagement with each HCP.

Statement for the disclosure of 2019 data during the COVID-19 pandemic in 2020

Given the unprecedented situation regarding the COVID-19 pandemic, Biotest does not have full access to the disclosure contracts and records held on paper. Hence the disclosure of HCP transfers of value is in aggregate.
