

Reporting of Transfers of Value - Methodological Note

Dr Falk Pharma UK is committed to the promotion of research, scientific exchange and the development of medicines. We promote shared learning between communities of patients, clinicians and researchers. The shared knowledge helps Dr Falk to develop treatment options that work for our patients that lead to successful disease treatment.

In the pursuit of shared learning, we organise and sponsor continuing medical events across the UK and Ireland as well as supporting the work of patient organisations.

The relationship between the pharmaceutical industry and healthcare professionals (HCPs) and healthcare organisations (HCOs) is vital for the development and delivery of life-enhancing and life-saving medicines. All collaborators want to ensure that patients and others have confidence that the relationship between pharmaceutical companies and the doctors, nurses, pharmacists and other health professionals and organisations is open and transparent. Dr Falk Pharma UK Ltd discloses details of payments and other benefits in kind made to HCPs and HCOs. This information is published on a database called Disclosure UK.

The methodological notes below explain the data Dr Falk Pharma UK Limited disclose and how the data is prepared.

Transfer of Value Data included:

The data disclosed by Dr Falk Pharma UK Limited is consistent with the requirements of the current ABPI Code of Practice.

Sponsorship of health professionals to attend educational events

The data includes all travel costs and accommodation costs but does not include food and drink costs. The data also includes the registration fee, where applicable, for the health professional to be registered to attend the educational event.

Payment of consultants who provide services to Dr Falk Pharma UK Ltd

The data includes payments to health professionals who provide services to Dr Falk Pharma UK Ltd. Where applicable, the data also includes payment of expenses to consultants in the delivery of their services, such as travel expenses or accommodation expenses, in line with the current Code of Practice.

Payments to charity and HCO as fees

On occasion, a HCP who has provided a service to Dr Falk Pharma UK Ltd may ask for their fee to be paid to charity or to the HCO where they are employed. On these occasions, or similar, the fee received by the HCP will be disclosed under that HCP's entry.

Payments to non-UK HCPs or HCOs

Dr Falk Pharma UK Ltd operates in both the UK and Ireland. All payments made by Dr Falk Pharma UK Ltd in the UK or Ireland are declared.

Donations, grants and benefits to health care organisations & patient groups

The data includes transfers of value to UK health care organisations such as the provision of meeting organisation services by Dr Falk Pharma UK Limited or payment to support educational meetings or projects that enhance patient care or benefit the NHS and maintain patient care. Support is declared on materials relating to the specific event or programme.

Patient Organisations and Charities

Patient organisations are providers of essential support and information to those living with medical conditions, as well as their families and carers. Working with these valued organisations allows Dr Falk Pharma UK Ltd to support their efforts with vital resources. Transfers of value to support non HCO's, such as patient organisations and charities are subject to separate disclosure and are therefore excluded.

Reporting Date

There is an inevitable delay between the date of agreement and the date on which the payment is made. Dr Falk Pharma UK Ltd. will disclose the date the payment was made and not the date the activity was conducted.

VAT

VAT is excluded from disclosures of transfer of value.

Currency

Disclosures are made in pounds sterling (£). Where the original payment was made in another currency, the value was converted to pounds at the exchange rate prevailing at the time of the payment.

Privacy/GDPR and Consent

Under UK regulation, express permission from individuals is required prior to disclosing personal data, such as individual HCP transfers of value. Dr Falk Pharma UK Ltd treats all personal data as confidential until such time as consent can be unambiguous. Where consent has not been received, Dr Falk declares the total spend as an aggregate figure within the relevant disclosure category. Consent to disclose can be withdrawn at any time before or after public disclosure.

Retention of data

Dr Falk Pharma UK Ltd retains records of accounts according to UK law.
